

**START**

Really? You're some mechanic –

**CHAD**

Oh, Chad. Chad, Chad, Chad, Chad, Chad –

**NATALIE**

Well, I'll leave you two alone.

**(EXITING) DENNIS**

Wait, little man, I've been looking for you.

**CHAD**

For me? No one ever looks for me.

**DENNIS**

Well, while I'm in town, how'd you like to be my sidekick?

**CHAD**

*(Hands DENNIS his guitar)*

Oh, Chad. Chad, Chad, Chad –

**DENNIS**

–Anyway Chad, I was just wondering what do you look for in a girl?

**NATALIE**

Well, I know a lot of chick – a lot of chicks – but I always try to look beyond physical beauty and into a lady's soul.

**CHAD**

*(Suddenly, the museum doors open and SANDRA enters)*

The museum is open!

**SANDRA**

*(Lights suddenly shift to a SPOTLIGHT on CHAD. ALL, except CHAD freeze, he is in love!)*
